

## Payment terms

### Payments. Payment by credit card online

Our website is connected to Internet acquisition, and you can pay for the Goods by credit cards Visa, MasterCard, Maestro and MIR. After confirming the selected Product, a secure window will open with the payment page of the processing center, where you need to enter your bank card details. For additional authentication of the cardholder, the 3D Secure protocol is used. If your Bank supports this technology, you will be redirected to its server for additional identification. For information on the rules and methods of additional identification, check with the Bank that issued your bank card.

### Security guarantees

FLEX-MYBODY CO., LTD processing center protects and processes your bank card data in accordance with PCI DSS 3.2 security standard. Information is transmitted to the payment gateway using SSL encryption technology. Further transmission of information takes place through closed banking networks with the highest level of reliability. FLEX-MYBODY CO., LTD does not share your card details with us or other third parties. For additional authentication of the cardholder, the 3D Secure protocol is used.

If you have any questions about the perfect payment, you can contact the customer support of the payment service by e-mail [info@flexmybody.com](mailto:info@flexmybody.com)

### Online payment security

The personal information you provide (name, address, phone number, e-mail, credit card number) is confidential and not subject to disclosure. Your credit card information is transmitted only in encrypted form and is not stored on our web server.

The security of processing Internet payments is guaranteed by FLEX-MYBODY CO., LTD. All transactions with payment cards are carried out in accordance with the requirements of VISA International, MasterCard and other payment systems. When transferring information, special security

technologies for online card payments are used; data processing is carried out on a secure high-tech server of the processing company.

## Return of goods

Decree of the Government of Thailand In case of detection of defects in a product, the properties of which do not allow them to be eliminated (food products, perfumery and cosmetic products, household chemicals and other goods), the buyer has the right, at his choice, to demand the replacement of such a product with a product of proper quality or a commensurate reduction in the purchase price. Instead of presenting these requirements, the buyer has the right to refuse the purchased goods and demand the return of the money paid for the goods. In this case, the buyer, at the request of the seller and at his expense, must return the received goods of inadequate quality.

## Confidentiality

### 1. Definitions

The Internet project FLEX-MYBODY CO., LTD (hereinafter referred to as the URL, "we") takes seriously the issue of the confidentiality of the information of its clients and visitors to the <https://flexmybody.com> website (hereinafter "you", "site visitors").
